

Make the most of your Manulife One account

Once your Manulife One account is open, put it to work for you! Use the checklist below to identify your current banking needs that can now be managed through your Manulife One account:

Income and savings

- Contact your payroll department** and request that your income be deposited to your Manulife One account
You may need to provide a void cheque, which you can easily print by:
 - Signing into your online banking account at manulifebank.ca, and
 - Selecting "Print a Void Cheque" from the main menu.
- Transfer your short-term savings** into your Manulife One account. If you plan to keep an account open at another financial institution, complete and submit the [Funds Transfer Agreement](#) so you can move funds between your accounts in the future.
- Set up your automatic pre-authorized deposits** (e.g. tax refund, investment income, etc.)

TIP: Think twice before keeping your high-interest bank account open. You'll likely save more in interest by moving these savings into your Manulife One account than you'd ever earn in a high-interest bank account.

Expenses and loans

- Repay your loans, lines of credit and credit cards** from your Manulife One account.
- Set up your pre-authorized payments.** Contact your service providers and ask to have your bills automatically paid from your Manulife One account (e.g. monthly RRSP contributions, insurance premiums, utility payments, property tax, etc.)
- Set up your bill payments.** You can set them up in by using either our online banking service, our [mobile banking app](#) or by calling us at 1-877-765-2265.

Expense checklist

- | | |
|-------------------------------------|--|
| <input type="checkbox"/> Hydro | <input type="checkbox"/> Car payment |
| <input type="checkbox"/> Gas | <input type="checkbox"/> House insurance |
| <input type="checkbox"/> Water | <input type="checkbox"/> Car insurance |
| <input type="checkbox"/> Telephone | <input type="checkbox"/> Life insurance |
| <input type="checkbox"/> Cell phone | <input type="checkbox"/> Property taxes |
| <input type="checkbox"/> Cable | <input type="checkbox"/> Gym membership |
| <input type="checkbox"/> Internet | <input type="checkbox"/> Credit card |

TIP: Don't forget to switch over less frequent income and bills, such as tax refunds or life insurance.

Visit manulifeonego.ca for more ways to get the most from your account.
